Classroom Life & Learning: Learning Activities, Personal Learning Styles, Technology (AI & Diyalekt) and Future Plans (Will vs. Be Going To)

ENG.10.2.V1. Students can select and use vocabulary for classroom learning activities, personal learning styles, and learning with technology. · ENG.10.2.G1. Students can make predictions, describe plans, and express the difference between immediate decisions ('will') and planned future actions ('be going to'). · Students can give study advice using 'should' and express classroom technology obligations using 'must / have to'.

HATIRLAYALIM

- Learning activities & styles: brainstorming, role-play, summarise, analyse, note-taking, mind mapping, visualise, self-assessment.
- Technology in class: artificial intelligence (AI), Diyalekt platform, homepage, upload/delete a file, log in/log out, switch on/off.

1 EŞLEŞTİRME

Sınıf içi öğrenme ve kişisel çalışma kavramlarını açıklamalarıyla eşleştiriniz.

CLASSROOM LEARNING & STYLES

Brainstorming	Role-play	Mind Mapping	Self-assessment
Sharing creative ideas	Acting out dialogues	Visual keyword branches	Evaluating own progress

b 1. Brainstorming

a 2. Mind mapping

c 3. Self-assessment

a) Konuyu anahtar kelimeler ve görsel dallarla şemalaştırma (zihin haritası)

b) Yazma veya proje öncesi sınıfta yaratıcı fikir üretme (beyin fırtınası)

c) Öğrencinin kendi öğrenme gelişimini değerlendirmesi (öz değerlendirme)

2 DOĞRU MU, YANLIŞ MI?

Theme 2: Classroom Life & Learning ifadelerini Doğru/Yanlış olarak belirleyiniz.

TYPES OF LEARNERS & ADVICE (SHOULD)

Visual Learners	Auditory Learners	Kinesthetic Learners
Use mind maps and colourful charts	Listen to discussions and repeat aloud	Join role-play and interactive activities

	D	Y
We use 'will' for spontaneous decisions made at the moment of speaking.	☑	☐
We use 'be going to' for prior plans and evidence-based predictions.	☑	☐
Diyalekt is a traditional paper dictionary printed in the 19th century.	☐	☑
Visual learners should use mind maps, charts, and colourful notes.	☑	☐

3 ÇOKTAN SEÇMELİ

'A: I can't access the Diyalekt homepage. — B: Wait a second, I ___ check the connection for you.' boşluğa ne gelir?

FUTURE FORMS: WILL VS. BE GOING TO

WILL + V_1 (Immediate / Opinion)	BE GOING TO + V_1 (Plan / Evidence)
Spontaneous decisions: I'll help you!	Prior plan: I'm going to summarise Unit 2.
Opinion: I think AI will change schools.	Evidence: Look at the clouds! It's going to rain.

A will B am going C was D did

4 KISA CEVAP

Bilgisayar laboratuvarında kullanılan 'log in / log out' ve 'upload / delete a file' zıt kavramlarının anlamlarını yazınız.

TECHNOLOGY IN THE CLASSROOM

Digital Actions (Positive)	Opposite Digital Actions
switch on the PC, log in to Diyalekt, access the homepage, upload a file	switch off the PC, log out, disconnect, delete a file

log in / log out: oturum açmak / oturumu kapatmak.

5 TABLOYU TAMAMLA

Gelecek zaman yapılarını (Future Forms) karşılaştıran tablodaki boşlukları tamamlayınız.

Structure (Yapı)	Main Function (Temel İşlev)	Example Sentence
will + V_1	Immediate decision (Anlık karar)	The board is off; I will switch it on.
will + V_1	Prediction with 'I think / probably'	I think AI will help students.
be going to + V_1	Prior plan / Intention (Plan)	We are going to prepare a mind map tonight.
be going to + V_1	Evidence-based prediction (Kanıt)	Look at her notes! She is going to pass.

6 SIRALAMA

Dijital bir sınıf projesini (E-Portfolio) hazırlayıp teslim etme adımlarını sıraya diziniz.

E-PORTFOLIO PROJECT WORKFLOW

1. Brainstorm	2. Mind Map	3. Record & Edit	4. Upload File
Share topic ideas	Organise main points	Use digital AI tools	Log in and submit

1. First, do brainstorming in groups and create a mind map to organise your ideas
4. Finally, upload your project file to the homepage and log out safely
2. Second, switch on the classroom PC and log in to the Diyalekt platform
3. Third, prepare your interactive presentation and summarise the key points

7 BOŞLUK DOLDURMA

Cümlelerdeki boşlukları uygun İngilizce kelimelerle tamamlayınız.

intelligence | log | brainstorming | luggage

1. Before writing our essay, we do **brainstorming** to share creative ideas in class.
2. Please save your file and **log** out before you leave the computer lab.
3. I think artificial **intelligence** (AI) will make personalised learning much easier.

8 EŞLEŞTİRME

Akademik sınıf fiillerini İngilizce açıklamalarıyla eşleştiriniz.

ACADEMIC VERBS IN THE CLASSROOM

to summarise	to analyse	to visualise	to conclude
Write main points briefly	Examine in detail	Picture in the mind	Reach a final decision
