Müzik Tercihleri, Görüş Bildirme ve Anket Yorumlama

E12.1.L1. Şarkı veya medya içeriğinde yer alan bilgileri belirler. · E12.1.P1. Cümlelerde tonlama örüntülerini çalışır. · E12.1.S1–S2. Müzik tercihleri hakkında görüş alışverişi yapar; katılma veya katılmama durumunu açıklar. · E12.1.R1–R2. Metinden müzik tercihleri çıkarır; anket ve görüşme bilgilerini çözümler. · E12.1.W1. Müzik tercihleriyle ilgili anket raporu yazar.

HATIRLAYALIM

- Müzik tercihlerini belirtirken 'prefer A to B' (A'yı B'ye tercih etmek) veya 'prefer doing something' kalıbı kullanılır.
- 'Would rather + bare infinitive' yapısı belirli bir tercihi ifade eder; zıt tercih 'than' bağlacıyla eklenir.
- Görüş bildirmede 'In my opinion', 'I think'; katılmada 'I agree', 'Exactly'; kısmen katılmada 'I agree to some extent' kullanılır.

1 EŞLEŞTİRME

Match the musical vocabulary items in the visual with their English definitions in the right column.

1. Lyrics	2. Composer	3. Genre	4. Rhythm
Words of a song	Music creator	Style category	Beat pattern

[c] 1. Lyrics
[a] 2. Composer
[d] 3. Genre
[b] 4. Rhythm

a) A person who writes and creates original music
b) A regular, repeated pattern of musical beats
c) The written words of a song or musical composition
d) A particular style or category of musical art

2 ÇOKTAN SEÇMELİ

Visual survey card shows: Emily listens to folk music (%70) and rock music (%30). Which of the following sentences correctly expresses her musical preference?

STUDENT MUSIC SURVEY RESULTS (EMILY)

Folk Music (%70)	Rock Music (%30)
Primary listening choice	Occasional preference

(A) She prefers listening to folk music to rock music.
(B) She would rather listen to rock than folk music.
(C) She dislikes acoustic folk melodies completely.
(D) She prefers rock music to all traditional tunes.

3 KISA CEVAP

Write a polite question to ask someone their opinion about a new musical track.

What do you think about the melody and lyrics of this song?

4 KISA CEVAP

Rewrite using 'would rather': 'I prefer acoustic guitar to electric guitar.'

Prefer ... to ...	Would rather ... than ...
I prefer folk to rock.	I would rather listen than read.
Form: prefer noun to noun	Form: rather + bare verb

I would rather play acoustic guitar than electric guitar.

5 DOĞRU MU, YANLIŞ MI?

Read the statements about English preference structures and decide if they are True (D) or False (Y).

OPINION AND AGREEMENT EXPRESSION SCALE

I totally agree	To some extent	I disagree
Full agreement	Partial view	Polite disagreement

	D	Y
In the structure 'prefer A to B', item A is preferred over item B.	✓	
'Would rather' is followed by a verb in the 'to + verb' infinitive form.		✓
The phrase 'I agree to some extent' expresses partial agreement.	✓	
Tone and intonation can change the implied emotional meaning of a spoken sentence.	✓	

6 AÇIK UÇLU · DÜŞÜN

Explain in one sentence why many students prefer digital streaming platforms for listening to music.

They offer quick access to vast song catalogs and personalized playlists.

7 TABLOYU TAMAMLA

Complete the missing cells in the communicative expressions table based on their conversational functions.

Expression	Communicative Function	Example Context
In my opinion	Giving a personal view	Expressing ideas about a band
I totally agree	**Expressing agreement**	Supporting a friend's musical taste
I would rather	Stating a preference	**Choosing a live concert over an album**
I am not sure about that	**Polite disagreement**	**Questioning a genre recommendation**

8 ÇOKTAN SEÇMELİ

Look at the dialogue card in the visual. What does Mark mean when he says 'I see your point, but I find jazz too complicated'?

CONVERSATION CARD · JAZZ DISCUSSION

Mark: "I see your point, but I find jazz too complicated."

Meaning: Acknowledging an opinion with partial agreement.

(A) He partially understands but does not fully agree.

(B) He thinks jazz is the simplest genre to perform.

(C) He completely agrees with every single statement.

(D) He wants to learn how to play saxophone immediately.

9 ŞİFRELİ KELİME

Use the musical clues to fill in the crossword rows. Combine the letters in the orange key boxes to find the secret English word.

MUSICAL HARMONY AND PREFERENCE PUZZLE

MUSIC · GENRE · LYRIC · SONG · BAND · RHYTHM

Combine the highlighted letters to discover the 6-letter word.

MELODY

10 SIRALAMA

Order the stages of conducting and reporting a musical survey from 1 to 4 based on the visual workflow.

3 Analyzing the percentages of preferred instruments and styles

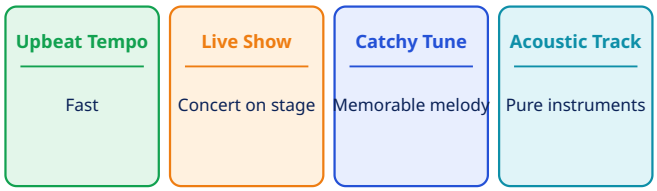

2 Collecting response data from twenty high school classmates

1 Designing interview questions about favorite musical genres

4 Writing a summary report on student music preferences

11 EŞLEŞTİRME

Match the musical attributes in the visual cards with their descriptive explanations.

a 1. Upbeat tempo

d 2. Live performance

c 3. Catchy tune

b 4. Acoustic track

a) Fast, energetic and cheerful musical rhythm

b) Music produced without electronic sound enhancement

c) A pleasant melody that is memorable and easy to hum

d) Music played in front of an audience on stage

12 DOĞRU MU, YANLIŞ MI?

Read the statements about musical survey interpretation and decide if they are True (D) or False (Y).

	D	Y
'Prefer' can be followed by a gerund (-ing form of a verb).	☑	☐
A survey report only contains emotional adjectives without percentage data.	☐	☑
Classical music and hip-hop belong to distinct musical genres.	☑	☐
'I do not think so' is an expression used to confirm complete agreement.	☐	☑
