Müzik tercihleriyle ilgili anket raporu yazar.

HATIRLAYALIM

- Musical decades (the 70s, 80s, 90s) are characterized by unique genres like disco, synth-pop, rock and grunge.
- To express agreement use 'I completely agree', 'That is so true'; for disagreement use 'I see your point, but...', 'I beg to differ'.
- Rising intonation is typically used in yes/no questions, while falling intonation marks wh-questions and statements.

1 EŞLEŞTİRME

Match the musical decades in the visual with their defining historical musical trends.

The 1970s	The 1980s	The 1990s	The 2000s
Disco Classic Rock	Synthesizers MTV	Grunge Alternative	Digital Pop Streaming

a 1. The 1970s

d 2. The 1980s

c 3. The 1990s

b 4. The 2000s

a) The decade famous for disco grooves and classic rock anthems

b) The rise of digital downloads, streaming files and auto-tune tracks

c) The boom of alternative rock, grunge bands and hip-hop culture

d) The era of electronic synthesizers, pop icons and MTV broadcasts

2 KISA CEVAP

Complete the sentence politely expressing disagreement: 'I hear what you say, ...'

POLITE DISAGREEMENT FORMULA

"I hear what you say, but I have a completely different opinion."

Acknowledges the other perspective before stating a counterview.

I hear what you say, but I have a completely different opinion.

3 AÇIK UÇLU · DÜŞÜN

State why intonation is essential in spoken English communication.

It conveys the speaker's attitude, emotional mood and grammatical meaning.

4 ÇOKTAN SEÇMELİ

Look at the survey chart in the visual comparing musical preferences across age groups. Which summary sentence accurately reflects the data?

CROSS-GENERATIONAL MUSIC PREFERENCE SURVEY

Older Age (50+)	Younger Age (15-25)
Classical & Jazz (%65)	Modern Pop & Indie (%75)

A) Older listeners prefer classical music while teens prefer pop.

B) All participants listen to electronic techno tracks equally.

C) Teenagers completely reject streaming platforms and podcasts.

D) Senior citizens exclusively listen to heavy metal guitar riffs.

5 DOĞRU MU, YANLIŞ MI?

Read the statements about English conversation and intonation rules; mark True (D) or False (Y).

Rising Intonation (↗)	Falling Intonation (↘)
Yes / No Questions "Do you like jazz? ↗"	Wh- Questions & Facts "What is your genre? ↘"

	D	Y
Wh-questions (What, Where, Why) usually end with a falling intonation pattern.	✓	
Yes/No questions in English typically end with a falling intonation pattern.		✓
The phrase 'I couldn't agree more' expresses total and absolute agreement.	✓	
'Decade' refers to a historical duration of one hundred consecutive years.		✓

6 KISA CEVAP

Which intonation pattern is used when asking 'Do you enjoy listening to jazz?'

A rising intonation pattern is used because it is a yes/no question.

7 TABLOYU TAMAMLA

Complete the missing cells in the musical history timeline table.

Musical Decade	Signature Style / Genre	Prominent Characteristic
The 1970s	Disco and Classic Rock	Vinyl records and live festivals
The 1980s	Synth-pop and Glam Rock	Synthesizers and music television
